### There is no forgiveness for Black Adam.

This is the reality Teth-Adam, immortal man of indomitable will, must face when he discovers he has been infected with an incurable plague destroying his immortality. Haunted by the specter of centuries of dark deeds, Black Adam transfers his powers to a worthy successor who will redeem Adam's legacy and defend their ancestral homeland of Kahndaq, only to subsequently become mystically "handcuffed" to him when Adam's plague is arrested, giving birth to perhaps the most volatile and dysfunctional super-team in DC history! Powered by stunning art by Rafa Sandoval (*Justice League*) and breathtaking painted covers by Irvin Rodriguez (*Detective Comics*), writer Christopher Priest (*Deathstroke*, *Justice League*) brings his trademark wit and skill for character deconstruction to an entirely fresh examination of the man you love to hate! Get ready to ride the lightning!

Andy, like a lot of kids, feels a little lost and out of place when he moves to Gotham. Unlike most kids, he's less excited about the idea of meeting Batman than he is about seeing his childhood hero, the wrestler Waylon Jones...a.k.a. Killer Croc! If Andy can find him and ask for some wrestling tips, he can have it all. Trouble is, Batman is looking for Andy's childhood hero, too.
